

# Letts Road Connector Study Public Open House #2

February 12, 2024

5:00pm – 7:00pm

Presentation at 6:00pm

Larkin Township Hall  
3016 N. Jefferson Rd  
Midland, MI 48642

## Project Information:

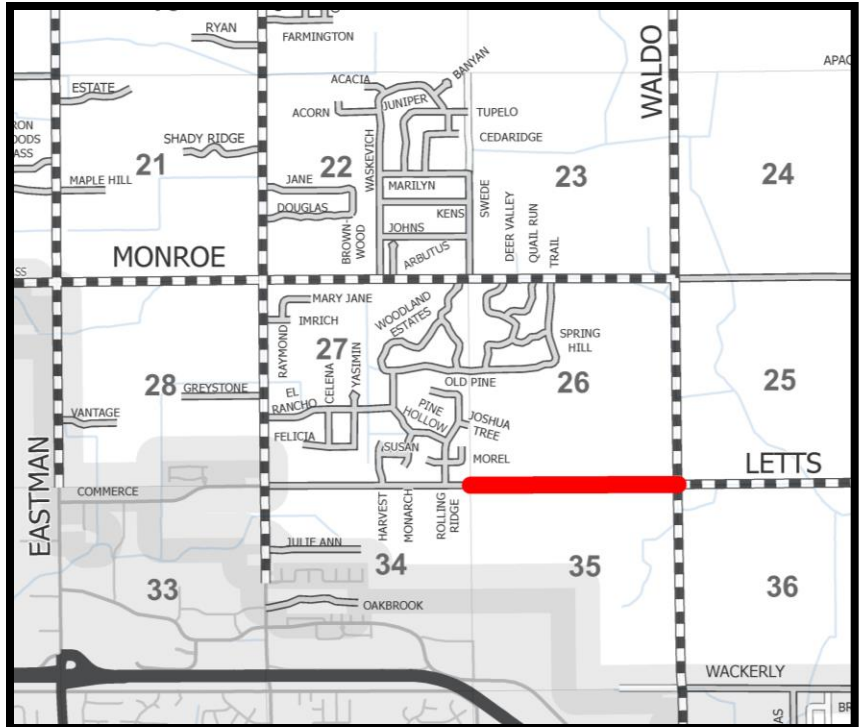

Rowe Professional Services Company, on behalf of the Midland County Road Commission, is conducting a study of

the Letts Road corridor to evaluate the potential redevelopment of a through roadway connecting Jefferson Road to Waldo Road.

Conceptual designs and alternatives are under development and will be presented during the open house. A presentation will take place at 6:00pm, during which the team from Rowe will discuss various aspects and components of the designs. The community will have the opportunity to review exhibits, ask questions, and provide feedback prior to and following the presentation.

All presented information will be posted on the project website following the open house.
