

## POLICY

NUMBER: **100**  
SECTION: **100.13**

SUBJECT: **ROADWAY IMPROVEMENTS WITHIN MCRC RIGHT-OF-WAY**

POLICY: It is the policy of this Commission to require all entities requesting to improve roadways within the Midland County Road Commission Right-of-Way to comply with the Midland County Rules for Plat Street Development dated July 22, 1994 or as directed by the Engineer.

### PROCEDURES:

1. Applicant submits written request to make roadway improvements within Midland County Road Commission right-of-way in accordance with current Rules for Plat Street Development.
2. Application is reviewed by Midland County Road Commission.
3. Right-of-way construction permit is approved or rejected by the Midland County Road Commission.
4. Applicant completes improvements in accordance with permit.
5. Improvements are inspected by Midland County Road Commission and accepted or rejected.
6. Following acceptance by Midland County Road Commission, improvements are dedicated by applicant to Midland County Road Commission.
