## **REQUEST FOR EQUIPMENT QUOTE**

### **Trailer Mounted Spray Injection Patcher**

### **Rental of a heated Emulsion Tank**

The Midland County Road Commission is seeking quotes for a Trailer Mounted Spray Injection Patcher.

Vendors shall submit detailed information on their products and quick links if available. Price quotes need to be complete and include time needed from order to delivery. Vendors may have multiple products fitting our need and contact/website links need to be included in case more information is needed. Each item at a minimum needs to have 1-2 pages of description of the product, how it would work with our equipment, and how it will fit our need.

Listed below is our current equipment options and the need that we are trying to fill.

One ton dump truck with 2" Receiver  
Tandem Axle dump trucks with Pennell hitch.

The Midland county road commission wishes to utilize a trailer mounted spray patcher behind one of our vehicles to rapidly place a smother, longer lasting patch. Safety is important, so extra information with detail to lights, time of exposure to traffic, and ease of use for employees would be appreciated.

The Midland County Road Commission also needs a quote on a rental heated Emulsion tank. We will need it from when the patcher is delivered thru late fall at a monthly rate. Tank shall be 1,000 +/- gallon trailer mounted unit. Rent to buy could be another option. Quotes and information can be put in the same envelope (email) or separated.

Each equipment quote shall be submitted via email, or envelope. The submittal shall contain the details of each piece of equipment, quote, delivery time, and contact information. Each envelope shall be labeled "**MIDLAND COUNTY ROAD COMMISSION-Trailer Mounted Spray Injection Patcher**".
